

Syllabus and Core Competency

Two AOC published documents are available from the AOC Home Office;

- **Syllabus of Orthoptic Instruction** [\$100]

- ***NEW* Core Competencies: essential skills for Orthoptists** [\$30]

Each document outlines/details essential information to master, the *Syllabus* more didactic information and the *Core Competencies* more clinically oriented.

- Integral part of all Orthoptic Fellowship Program didactics and clinical skills

- Basis of the material on the Orthoptist certifying examinations

- Useful resource for Fellows in Pediatric Ophthalmology

- Beneficial to Employers of Orthoptists to better understand the scope of practice
